PRODUCTION REPORTS OF SAG KABEL (5 pp
Annex 1 reports fulfillment of the 1951 plan for sale of commodity output (in percentage and in thousands of Deutsche marks) by SAG Kabel plants. The amount realized in basic production, the amount realized in scientific research work, and the amount realized in oapital repairs are reported for the 12 plants of the SAG. The report gives a breakdown of the total figures, including profit sales to the USSR and third countries, reparations, trade agreement sales, domestic market needs, interplant needs, and other exports to the USSR and third countries for compensation and in connection with other transactions. The plants listed are the KVO (probably KWO
